

In October 2023, the Jefferson Davis Parish School Board launched a survey to staff, student, & community stakeholders to collect data on whether or not further exploration of a Hybrid 4-Day School Week proposal was warranted. Survey results are included in this document.

Disclaimer: Survey results posted below do not mean that the JDPSB is adopting or has adopted a Hybrid 4-Day School Week. Survey results reflect that staff, student, & community stakeholders are in favor of further exploration of such. No final decisions have been made at this time.

Question 1: “I believe the Jefferson Davis Parish School System should consider a Hybrid 4-Day School Week for staff and students.”

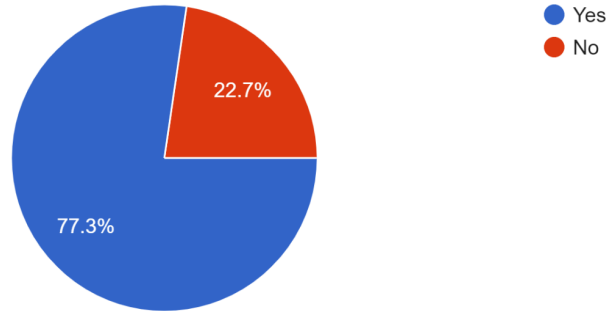

6-8 Grade Students

I believe the Jeff Davis Parish School System should consider a Hybrid four-day school week for students/staff. Hybrid means that students would ...esting) while the remainder would be 4-day weeks.
794 responses

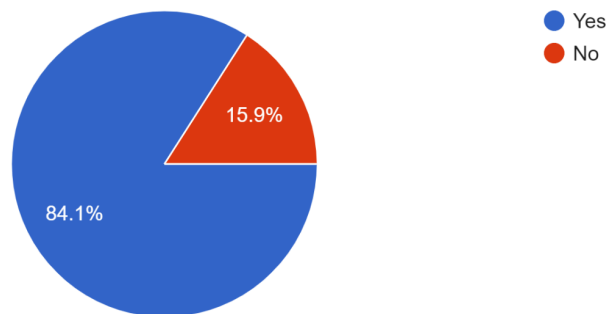

9-12 Grade Students

I believe the Jeff Davis Parish School System should consider a Hybrid four-day school week for students. Hybrid means that students would attend...esting) while the remainder would be 4-day weeks.
